Delivering on Building Performance

What’s needed? – Best practice processes....

Spot ~ 7.1 °C

Innovate UK
Delivering on Building Performance

What’s needed? – Skills & know-how.....
Delivering on Building Performance

What’s needed? – Innovation on performance.....
Delivering on Building Performance

What’s needed? – Showing benefits for residents.....
Delivering on Building Performance

What’s needed? – Showing benefits for communities.....
Delivering on Building Performance

What’s needed? – Demanding clients……

……. who explicitly ask for performance.
Delivering on Building Performance

What’s needed ? – A different approach…….

Insanity: doing the same thing over and over again and expecting different results.

-Albert Einstein
